YOUR STANDARDS ARE RAISED EVERY DAY

GET A HEAD START WITH THE JLG PS SERIES

JLG @ CONEXPO
GOLD LOT 1037

ALL THE POWER AND LIFT YOU NEED. The JLG® PS Series of telehandlers optimises productivity and reliability on today's toughest jobsites. With four models available, PS telehandlers adapt to a variety of applications – delivering capacities of up to 4.0 tons and lift heights of up to 17.3m, while accepting a multitude of options and attachments to customise performance. Take your productivity to the next level, with heavy-duty JLG PS telehandlers and the JLG customer service and support team. JLG. Helping you reach your potential.

Good times are on the way?

Three years ago the introduction to Conexpo 2011 was entitled 'A positive Trend' and looking back we made a fairly accurate prediction of the years that followed. Almost six years after the global recession struck things are looking brighter, but different.

Equipment users need to look even more carefully at the products they source, whether purchasing or renting. When it comes to cranes, aerial lifts or telehandlers technology developments are arriving thick and fast offering benefits in terms of performance and efficiency, not to mention regulation compliance.

Equipment prices have also been rising and are not likely to change any time soon. Buyers can however benefit significantly from using equipment that is less costly to operate, easier to transport and set up, and safer to use. As well as this mobile information systems are finally coming of age providing substantial opportunities for smart operators.

Do take advantage of having all the major manufacturers and their most senior managers together at the show. Learn about their new products and technology, as well as developing relationships that will serve you well in the year ahead. And don't overlook the opportunity to meet fellow exhibition visitors, who will have travelled from all over the world and who share your interests.

This guide - with its large maps, exhibitor listings and guided tours - will prove invaluable. And finally this is Las Vegas so the back third of the guide is dedicated to the city and all the fun that it offers.

Have a great week.
Leigh W Sparrow

¿Están los buenos tiempos en camino?

Hace tres años la introducción de Conexpo 2011 se titulaba « Una tendencia positiva", y mirando hacia atrás vemos que hicimos una predicción bastante exacta de los años que siguieron. Casi seis años después de la recesión global, las cosas se ven más brillantes, pero diferente.

Los usuarios de equipos tienen que mirar con más cuidado en los productos que buscan, compran o alquilan. Cuando se trata de grúas, plataformas elevadoras o manipuladores telescópicos los desarrollos tecnológicos están llegando en masa y son rápidos los beneficios que ofrece en términos de rendimiento y eficacia, sin olvidar el cumplimiento de la regulación.

Los precios de los equipos también han ido en aumento y no es probable que cambie en el corto plazo. Sin embargo los compradores pueden beneficiarse significativamente de usar equipos menos costosos de operar, más fáciles de transportar y de instalar, y más seguros de usar. Además de estos sistemas de información móviles finalmente están acercando a la madurez, por lo que proporcionan importantes oportunidades para los operadores inteligentes.

Aprovechese de tener todos los principales fabricantes y sus más altos directivos juntos en un espacio pequeño. Aprenda acerca de sus nuevos productos y tecnologías, así como el desarrollo de relaciones que le servirán bien el próximo año. Y no pase por alto la oportunidad de conocer a los visitantes de la feria, quienes han viajado de todas partes del mundo y que comparten sus intereses.

Esta guía - con sus grandes mapas, listados de expositores y visitas guiadas - será de gran valor. Y finalmente, esto es Las Vegas, por lo que la tercera parte de atrás de la guía está dedicada a la ciudad y toda la diversión que ofrece.

Que tengan una gran semana.
Leigh W Sparrow

HR17 Hybrid 4x4

nifty Innovations

The **HR17 Hybrid 4x4** is one of a new generation of environmentally conscious work platforms from **Niftylift**.

- **Efficient, intelligent Hybrid power**
- **Zero emission electric-only mode**
- **Compact & low weight chassis**
- **Class leading working envelope**
- **SiOPS® & ToughCage as standard**

CONEXPO-CON/AGG 2014

VISIT US AT BOOTH 4188 SILVER LOT 1

The **HR17 Hybrid 4x4** embodies the very best of Niftylift's design philosophy, combining advanced and patented **Hybrid** power-source technology with capable 4-wheel-drive.

It delivers class leading reach performance from a compact, super-low-weight and manoeuvrable chassis.

With **SiOPS®** and **ToughCage** as standard, operators can work with confidence that their safety is paramount.

The **HR17 Hybrid 4x4** is the ultimate combination of performance, economy, and most importantly safety.

Crane and Access events at the show

Crane Operators Skills Championship

18 crane operators will battle it out for the title of top crane operator in the Crane & Rigging Hot Line & CIC Skills Championship on Thursday and Friday March 6th and 7th. 16 of the operators qualified from regional heats held last year, while two additional operators will be selected from qualifying rounds on Tuesday and Wednesday March 4th and 5th on stand 2975 in the Gold Lot. Operators can pre-register for the qualifiers on www.craneoperatorrodeo.com. Contestants will use a 220 tonne/ 265 ton Liebherr LTM 1220-5.2 All-Terrain crane.

The Crane Operator Skills Championship is sponsored by Liebherr, Houston International Insurance, Slingmax, Crosby, Hirschmann, DICA Outrigger Pads, and InfoChip. It is designed to recognise crane operators' skills, introduce the profession to young people and educate local governments and businesses on the role training, experience and certification plays in safe crane operation.

5K charity run

The five kilometre charity run or walk will be held on Wednesday March 5th, with funds raised going to the Injured Marine Semper Fi Fund that provides financial relief to injured members of the US armed forces and their families during hospitalisation and recovery and ongoing needs. Guy Ramsey of race organiser Maximum Capacity Media said: "We hope to raise at least $10,000 for the fund. In 2011 the event had almost 250 runners, and I envision that number swelling to 400."

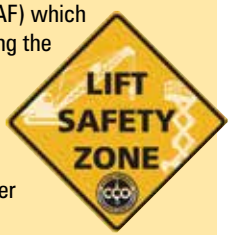
Registration: $25 before 2/14/2014 - $30 onsite - all participants will receive an event T-shirt

Start Time: 7:00 - arrive early to pick up your shirt

Start point: Below sign for the LVH Hotel & Casino (Formerly the Las Vegas Hilton) 3000 Paradise Road

Lift safety Zone

The National Commission for the Certification of Crane Operators (NCCCO) will host practical and written crane operator certification exams, it will share a stand with the International Powered Access Federation (IPAF) which will be stressing the importance of understanding the risks of working near overhead power lines.



Eventos de grúas y plataformas en la feria

Campeonato de habilidades de operador de grúa

18 operadores de grúas se enfrentarán por el título de mejor operador de grúa en el campeonato de Habilidades Crane & Rigging Hot Line & CIC el jueves 6 y el viernes 7 de marzo. 16 de los operadores fueron calificados de eliminatorias regionales celebradas el año pasado, mientras que dos operadores adicionales serán seleccionados de rondas de clasificación el martes y el miércoles 4 y 5 de marzo en el stand 2975 en el Gold Lot. Los operadores pueden pre-registrarse para la fase de clasificación en www.craneoperatorrodeo.com. Los concursantes utilizarán una grúa todo terreno Liebherr LTM 1220-5.2, de 265 toneladas.

El campeonato de habilidades de operador de grúa tendrá el patrocinio de Liebherr, Houston Insurance International, Slingmax, Crosby, Hirschmann, DICA Outrigger Pads e InfoChip. Está diseñado para reconocer la competencia de los operadores de grúa.

Carrera CONEXPO-CON/AGG 5K

La carrera por la caridad de cinco kilómetros a pie tendrá lugar el miércoles 5 de marzo, con los fondos recaudados que irán al Fondo de Injured Marine Semper Fi.

Inscripción: $25 antes de 2/14/2014 - $30 en el lugar - todos los participantes recibirán una camiseta del evento.

Hora de inicio: 7:00 - llegar temprano para recoger su camiseta.

Punto de inicio: Debajo del cartel del LVH Hotel & Casino (Previamente Las Vegas Hilton) - 3000 Paradise Road.

Zona de seguridad de plataformas

La Comisión Nacional para la Certificación de Operadores de Grúa (NCCCO) será la sede de los exámenes de certificación escrita y práctica de operador de grúa, que compartirá un stand con la Federación Internacional de Acceso Motorizado(IPAF), que subraya la importancia de comprender los riesgos de la sobrecarga de trabajo, cerca de líneas de alta tensión.
