Opportunity

Depot Controller - South London

UK Platforms are market leaders in powered access rental solutions. We are looking for a Depot Controller for our South London Depot based in Crawley.

People management skills and experience are essential criteria for this role, ideally with an access or plant/tool hire background.

Responsibilities include giving high quality service to our customers in the construction industry and related sectors. You will also help the sales team to develop new business. Duties include all aspects of running a busy hire office including customer contact, cost control, data input, staff management and transport.

This is a permanent position reporting to the Sales Director, the salary is negotiable based on experience.

For more information about UK Platforms go to

If you are interested in this position
please email your CV to:
davesimmonite@ukplatforms.co.uk

Position Wanted

Experienced Sales/Operations Manager

I am an experienced manager having held both sales and operational roles within the UK lifting industry during the past 25 years.

Following a restructuring within my current employer, I am now available for an immediate start for a suitable position, either within a sales or operational Role.

I am located within the West Midlands and hold a valid CPCs Appointed Person Card and CSCS Project Manager Card.

WANTED

UK Sales Representative

A major European manufacturer of knuckleboom and lorry loader cranes is seeking a full time sales professional to represent the company's interests in the United Kingdom and promote its range of products, managing an existing dealer network and expanding it.

The candidate must have a proven track-record, be self-motivated and results-orientated. Experience in the capital equipment industry is a must; knowledge of the crane industry would be highly preferential.

An excellent, flexible compensation and benefit package is available for the right candidate.

Asia and Australasia's leading crane industry meeting

The Cranes Asia conference, which builds upon the success of Middle East Cranes in Dubai, will combine vital insight on business opportunities in markets across Asia and Australasia with all of the latest and best in safe lifting operations from the world's leading safety experts and standards committee members. Asian crane companies will also be able to gain an insight into the latest standards and requirements that will allow them to market their machines to potential US and EU customers.

Your Cranes Asia contacts:

To attend, Kate Hearn, khearn@progressivemediagroup.com, +44 (0)208 269 7743
