I am an experienced freelance crane operator having operated All Terrain cranes to **100 tonnes** capacity and crawler cranes to **150 tonnes**. I currently hold an A66 mini crane licence and have built up considerable experience on both **Maeda and Unic cranes**.

Based in the **greater London** \ area I am happy to work **anywhere in the UK** on short or long term contracts. You will be customer focused with excellent communication and organisational skills. PC skills would be an advantage. You will need to liaise closely with the hire desk and sales team to deliver optimum service and rental ready equipment in a timely and ordered manner.

Preferably with experience in the powered access industry but consideration will be given to candidates from the plant, transport and crane hire industries with related experience.

**Ray Ledger Chairman  
Kimberly Access Ltd**

email; ray@ledger7.freesevice.co.uk  
All correspondence and discussions  
will remain totally confidential.

**Kimberly Access** a major UK powered access rental company is embarking on a strategy to create a powered access rental group under a holding company **The Alliance Access Group Ltd**. This strategy would revolve around building a group of autonomous powered access rental businesses each keeping their own identity/brand but with the benefit of being part of a major well funded group. It would be preferable if existing Management wished to remain in place but that is not essential in the correct circumstances.

Backed by a major institution the size of transaction is not an issue as funding is available.

If major shareholders within the sector would like to have a totally confidential and exploratory discussion call Ray Ledger, Chairman, Kimberly Access Ltd on private mobile 07775 898572 or email [ray@ledger7.freemove.co.uk](mailto:ray@ledger7.freemove.co.uk)
