cranes & access

FOR USERS & BUYERS OF LIFTING EQUIPMENT

Cranes & Access reaches over six times as many UK/Irish buyers of aerial lifts and lifting equipment than any other crane or access magazine, along with an exceptionally strong international readership, with over 15,000 lifting related professionals around the world reading either the printed or online editions of the magazine.

Given the wide global readership you will be surprised at how cost effective it can be as a medium to promote your products or services.

PASMA
PREFABRICATED ACCESS SUPPLIERS' AND MANUFACTURERS' ASSOCIATION

Mobile Access Towers Central Regional Auditor

One of the fastest growing trade associations in the work at height sector, PASMA is recognised and respected as the ultimate authority on mobile access towers and its training courses are widely acknowledged as the industry standard.

Due to retirement, the Association now seeks to appoint a Central Regional Auditor for central England including Manchester and Birmingham. You must either live in the area or be prepared to relocate.

You will be responsible for maintaining the high standards associated with PASMA training, which involves undertaking training centre audits and new training centre assessments. Good communication and organisational skills are essential, and ideally you should hold a relevant auditing qualification or be willing to work towards one.

Applicants are also invited to express interest in a second position in the South West of England which is currently under consideration and which, subject to confirmation, will cater for the proposed expansion and reorganisation of the PASMA auditing scheme which is currently under review.

Applications for the positions - which are self-employed, two days a week - should be sent to the Training Scheme Manager at the address below.

Alternatively you can email stuart.hopkins@pasma.co.uk. All applications will be treated in strictest confidence.

www.pasma.co.uk

PASMA, PO Box 26969, Glasgow G3 9DR

Service Engineer (Depot based)

Company: Kimberly Access Ltd

Location: London West Depot

Salary: Competitive salary & benefits

Job type: Permanent

The Role

Ideally you will have a proven track record as a Service Engineer in a plant or powered access environment, with the ability to maintain all machinery in optimum operating condition by servicing, inspecting and repairing a fleet of machines.

Responsibilities

- Carry out servicing and repairs of the company's rental fleet.
- Perform pre delivery inspections in line with company procedures.
- Ensure a high standard of Health and Safety compliance.
- Complete all paperwork, timesheets and job cards efficiently within a given time scale.
- Experience in D.C. electrics and knowledge of powered access machinery or similar is essential.
- Report to Depot Forman.

Requirements

- Must have own tools
- Excellent communication skills
- Commitment to excellent customer service and safety
- Ability to work without supervision
- Demonstrate flexible approach to working hours
- Awareness of health & safety issues

Contact Mike St Leger (Regional Engineering Manager) Tel: 07811 348 858 / email: mstleger@kimberlyaccess.co.uk

Rossa Consulting Ltd

Tower Crane Brokers

Rossa Consulting is presently appointing distributors of Tower Cranes in several countries around the world and we have a special interest in the following markets:

- United States ■ Canada
- South America ■ Caribbean

If you feel your company has the ability and is in the position to discuss these opportunities please contact us for an informal chat and maybe arrange to meet at Conexpo 2011 in Las Vegas 22nd -26th March, or at an alternative place of mutual convenience.

rossaconsulting

Rossa Consulting Ltd has evolved, brokering deals to purchase Tower Cranes and also developing Tower Crane distribution networks.

Rossa Consulting Ltd is constantly updating the International Tower Crane Distribution Network that we have built up over the years. We are looking for local companies in your country that have the ability to sell, service, and maintain a Tower Crane distribution network. We will, in return, advise you on the manufacturer that best suits you and your market, and we will negotiate the best possible prices and purchase agreement on your behalf, we will put you in direct contact and organise the most efficient terms possible between you and the Manufacturer.
