Website, Events and Member Communications Officer

Sector: Trade Association - Salary: Negotiable
Location: HQ or Home Office Based

A new and exciting opportunity has arisen with PASMA, one of the most successful and fastest growing trade associations in the work at height sector. Representing the mobile access tower industry in the UK - and increasingly internationally - the association drives standards and best practice and oversees the delivery of the national tower training scheme. The successful candidate will fulfil the role of:

A 'hands on' role, the position requires excellent verbal and written communication skills, the capacity to multi-task, sound organisational ability and the willingness to work flexibly as part of a small, committed and successful team. Knowledge and experience of working with website CMS systems and using Adobe Photoshop and Dreamweaver will be a distinct advantage.

Salary is negotiable but is not expected to present a difficulty for the right candidate. The package also includes pension and medical benefits.

All applications - a CV and covering letter (no emails please) - should be sent for the personal attention of Neil Tomlinson, head of marketing and communications, at the address below.
