

NOT YOUR TYPICAL SCISSOR LIFT.

In the past a compact footprint meant limited working space, but not anymore. Say hello to the HB-1230 the newest scissor lift from Custom Equipment, Inc. The Hy-Brid Lifts HB-1230 is designed and built to cut out the hassle of traditional mast lifts. Its full sized platform plus 30" deck extension provides over 7 feet of work space while maintaining a compact 56" x 30" footprint making it only 2" longer than competitive 12 foot vertical mast machines.

The HB-1230 weighs 1610 lbs. and can lift 550 lbs., making it lighter and stronger than vertical mast lifts. Additionally the HB-1230 features an innovative point-and go zero turn steer system which is fully proportional allowing for quick and fluid maneuverability around any job site. The days of jerky steering and limited platform space are over.

cranes cces

FOR USERS & BUYERS OF LIFTING EQUIPMENT

Cranes & Access reaches over six times as many UK/Irish buyers of aerial lifts and lifting equipment than any other crane or access magazine, along with an exceptionally strong international readership, with over 15,000 lifting related professionals around the world reading either the printed or online editions of the magazine.

Given the wide global readership you will be surprised at how cost effective it can be as a medium to promote your products or services.

NOTHING IS BEYOND REACH!

Powered Access Fitter (Field Based)

We're searching for a Powered Access Fitter with at least 3 years' experience in the following:

Hydraulic systems

- Electrical, petrol & diesel engines
- · Fault finding, diagnosis & repair

NB: Applicants with plant or forklift experience may also apply

Experience with Genie, Skyjack and JLG scissor lifts and booms is essential and a CAP or Manufacturer Qualification would be a bonus. In return we offer:

- Competitive salary
- Company pension
- Support & Training
- · Use of a company vehicle

For more information visit the Job Vacancy section of our website

Our business is growing fast, if you'd like to be part of our team send your CV and covering letter to: kmcreynolds@mainlinegroup.com

Commercial Vehicle / Plant Engineer

Based at our Headquarters and main depot in Carmarthen, West Wales.

The ideal candidate will have served an engineering apprenticeship and ideally be experienced with commercial vehicles.

Plant equipment fitting would also be advantageous.

Main role is undertaking the Maintenance and Repairs of commercial vehicles and plant fleet.

A competitive salary is available to the right applicant.

Please forward CV to t.wilson@daviescranehire.co.uk

Or alternatively Send to:-

Mrs T. Wilson, Davies Crane Hire Ltd, Pensarn Works, Pensarn, Carmarthen, SA31 2NG Davies Crane Hire Ltd is an Equal Opportunities Employer

NO AGENCY CALLS PLEASE www.daviescranehire.co.uk

Vertike Writers Wanted

Location flexible

The Vertikal Press is looking to expand its editorial team and is looking for individuals with an interest in lifting equipment who are able to communicate in the written word.

The opportunity could suit an experienced construction, mining or industrial freelance writer, or may be an ideal opportunity for a person starting out on a career path who is interested in journalism or lifting/ heavy equipment. We are looking for can-do enthusiastic people, with a passion to be the best at whatever they do. If you are bright, quick to learn and hard-working we can certainly provide the training - either in technical writing or lifting equipment and the industry.

You will need to be sociable, communicative, reasonably computer literate and flexible - this is not 9 till 5 work, nor is it a job for prima donnas. It is however very interesting on many different levels and is likely to involve some travel if you are to make the most of it. Location is not critical and you can work from home. We are more interested in what you can do and what you produce, rather than where or how you work.

If you are interested or know someone that might be, please email Leigh Sparrow at **Iws@vertikal.net** or contact anyone in the **Vertikal** team to express an interest.

The Vertikal Press is based in the UK, with an office in Germany. It publishes Vertikal.net - the industry leading news and information website - Cranes & Access magazine, Kran & Buhne magazine and organises events such as Vertikal Days.

Find that person Looking for Crane, Access or Telehandler people? Looking for a job?

Then why not start right here in the new Cranes&Access recruitment section?

With your support we can build a highly useful recruitment resource for the industry right within the UK and Ireland's only dedicated publication. Call or email us today to find out about our great start up rates Jobs Wanted ads are free through 2011.

WANTED International district managers

France, Nordic area & Japan

Dingli is China's leading producer of self-propelled aerial work platforms, producing a full range of boom lifts, scissor lifts, low level, one person vertical lifts and mast booms. Having recently taken the company public and moved into an all new highly automated production facility, we are looking to step up our export sales efforts in order to win a significant share of the International market.

To help us in this aim **we are looking for three experienced sales and professionals** to join our team, with responsibility for France, the Nordic countries and Japan. The candidates will need to have a track record of selling equipment, ideally aerial work platforms, to major rental companies, while helping set up and support local dealers, service partners and customers.

We are looking for 'doers' rather than 'talkers', the positions offer a great deal of freedom and independence for those that can deliver results, rather than talk about them. We are prepared to offer an attractive package for the right people with good long term potential to play a substantial and influential role within a small and active sales and marketing team at a company that has tremendous room for growth in the years ahead.

If you are interested please send your CV to:-

Harry Chen on chenjc@cndingli.com or call, on

+86 159 2560 6868 • www.cndingli.com

recruitment

Mobile Service Engineer

An exciting opportunity has arisen for a Mobile Service Engineer to join GT Lifting Solutions Limited based in Hassocks, West Sussex. In return, we offer a competitive salary of £27-32K per annum plus overtime, company van, 28 days holiday and excellent career progression opportunities. We are a lifting equipment hire specialist based just south of the M25 near Gatwick. As specialists in difficult materials handling, roto & heavy lift telehandlers, attachments, contract lifts and access solutions, we aim to provide our customers with both the skilled staff and reliable lifting equipment to complete their projects in a safe and cost effective manner. The Mobile Service Engineer's role will involve carrying out essential maintenance and servicing on our specialist lifting equipment either at the depot, or out on site with our clients. The successful applicant will be required to offer breakdown resolutions and an effective repairs service to ensure excellent customer satisfaction.

The hours of work are Monday-Friday 8am-5.30pm. This is an excellent opportunity to join a fast growing company and work with some of the key players in the construction industry. Please apply online to be considered for the Mobile Service Engineer role.

Additional Information: http://www.gtlift.co.uk

LIFTING

The Mobile Service Engineer's duties will include:

- · Servicing, maintaining, repairing equipment and familiarisation on the safe use of the companies specialist lifting equipment.
- To manage administration tasks and complete all paperwork accurately and on time.
- · Work well under pressure and retain a positive attitude to customer service.
- · Ensure a high standard of Health and Safety for both colleagues and customers.

The successful applicant will have:

- Experience as a Service Engineer
- A background in mobile plant products and/or agricultural / mechanical engineering
- · Ideally hold an NVQ or equivalent in a relevant subject however not essential
- · Solid experience and good technical ability
- A full UK driving licence
- · Ability to work as part of a team

SYRINX

Did you know that over 21,000 individuals receive a personal copy of each issue of Cranes & Access – either a printed issue or a digital version - in 179 countries around the world

If you do not already receive a copy subscribe online or use the form on page 76

- GantiCharger is designed to reduce the frequency and cost associated with battery replacement.
- GantiCharger is made to both save energy and significantly prolong battery life with reduced maintenance cost.
- GantiCharger prevents overheating the common cause of battery damage.
