cranes & access

FOR USERS & BUYERS OF LIFTING EQUIPMENT

Cranes & Access reaches over six times as many UK/Irish buyers of aerial lifts and lifting equipment than any other crane or access magazine, along with an exceptionally strong international readership, with over 15,000 lifting related professionals around the world reading either the printed or online editions of the magazine.

Given the wide global readership you will be surprised at how cost effective it can be as a medium to promote your products or services.

Field Service Engineers / Trainers, Workshop Manager, Pre Delivery Inspection Technicians & Workshop Technicians required Permanent & temporary positions available

Due to the continued success of the business, a number of new positions are available at Skyjack UK in Oswestry and throughout the UK.

The successful applicants will work as part of a team motivated to consistently achieve the highest standards. Skyjack is an international supplier of access equipment. If you are looking for a fast paced job in a great team, then please do apply.

For a job description, please contact the HR Manager. To apply, send your CV with a covering letter setting out how you meet the criteria for the role, to the HR Manager: Skyjack, Unit 1 Maes Y Clawdd, Maesbury Rd Industrial Estate, Oswestry, SY10 8NN.
Email: jdavies@skyjackeurope.co.uk

Relocation to Ireland New Job Opportunities

Cherry Picker Ltd is a wholly owned Irish company which has been in the access machines business for over 20 years. We are one of Ireland's largest providers of hire, sales and service for all makes and models of powered access plant machinery. We are expanding our service department and are looking for two enthusiastic self-starters to join our team for the following positions:

- **Construction Plant Fitter**
- **Construction Plant Service Manager**

The ideal applicants will have experience and extensive knowledge of servicing, certifying and repairing access machinery and in troubleshooting electrical and hydraulic systems.

Salary package is negotiable depending on experience.
Service van and mobile phone provided.

More information on the company and the roles can be found at www.cherry picker.ie/careers/. Please apply with cover letter and C.V. to frank@cherry picker.ie or call + 353 87 2557755 for more details.

FIELD SALES EXECUTIVE

Competitive Salary - Company Vehicle - Bonus - Pension Scheme
UK/NATIONAL & IRELAND

Outriggerpads is recruiting for an experienced Field Sales Executive to add to its growing team, to maximise opportunity within the existing customer base and generate new business opportunities in the UK. Additional duties include preparing sales forecast and working client-side to develop lifting solutions.

We are looking for a customer-focused professional with proven track record of account management combined with drive, passion and excellent communications skills. This is a great opportunity for a highly-motivated career-minded individual keen to establish themselves and become a valued member of our team. The role will require travel across the UK & Ireland including overnight stays when required.

The successful applicant will already have knowledge of the construction and plant hire industry, and possess strong geographical knowledge and organisational skills. They will be provided with the necessary training on our product range.

To apply, please email your CV and covering letter to Charles Grizzle at Outriggerpads via charles.grizzle@iapsgroup.com. Alternatively, call Charles for an informal chat about the role on 07775 508630.

Outriggerpads is the UK's leading supplier of lightweight outrigger pads, spreader plates and crane mats to the crane hire, oil and gas, utilities and powered access rental industry for more than 15 years. Outriggerpads is part of IAPS Group.
outriggerpads.co.uk

PRODUCT SUPPORT ROLE

Competitive Salary - Company Vehicle - Bonus - Pension Scheme

We're looking to recruit for a Product Support role to assist our sales managers with equipment demonstrations; as well as providing basic training and technical assistance to our customers.

The work load is varied, covering an extensive range of equipment from low-level access platforms up to high capacity scissors, tracked spider lifts and vehicle-mounted platforms. Reporting to the Technical Director, this role is based at our facility in Huntingdon, but requires extensive travel across the UK - including overnight stays - and occasionally overseas.

The successful applicant will already have a high level of technical knowledge of access platforms, and ideally have a track record in product support. As this is a customer-facing role, they

must be an excellent communicator, well organised and have proven problem-solving skills. This is a perfect role for an enthusiastic self-motivated individual with a technical background and sales acumen wanting to build a successful career.

Ideally, candidate will hold a valid IPAF licence and have a full driving licence that entitles them to tow trailers of up to 3,500kg.

The successful candidate will be provided with a high level of training for the access equipment brands that the company represents in the UK, including Genie and Hinowa.

Please email your CV and covering letter to Chris Banks, Technical Director at APS, via chris.banks@iapsgroup.com. Alternatively, call Chris for an informal chat about the role on 07802 665258.

USED EQUIPMENT ROLE

Competitive Salary - Company Vehicle - Bonus - Pension Scheme

A varied and challenging role within our Approved Used equipment division has become available - perfect for a strategic and hands-on individual. Responsibilities include managing trade-ins, creating an in-house price database across our range of powered access brands, working closely with our engineers on refurbishments, and successfully marketing pre-owned machines to a global customer base.

The role will require some travelling within the UK and time spent at our Used Equipment Centre in Huntingdon.

Candidates should be persuasive, articulate, and be computer literate. This is an ideal role for highly motivated career-minded individual keen to establish themselves within our business.

A background in the powered access industry or in used plant equipment sales is preferred, but not mandatory.

In this role, the successful candidate will become a valued member of our sales team, liaising with our sales managers, administration team and workshops to help build our sales business. Full training on the brands that the company support, including Genie and Hinowa will be provided.

Ideally, candidate will hold a valid IPAF licence and have a full driving licence that entitles them to tow trailers of up to 3,500kg.

Please email your CV and covering letter to Steve Couling, Managing Director on steve.couling@iapsgroup.com. Alternatively, call Steve for an informal chat about the role on 07843 634409.

Training Instructors

Our very busy and successful Training Centre in West London is expanding and is looking to recruit experienced Training Instructors.

The successful candidates must be qualified to deliver IPAF and PASMA training courses. The ability to instruct in the operation of Forklift Truck and Telehandler machines would also be beneficial.

We wish to recruit instructors with the drive and enthusiasm to assist in growing and expanding our Training business and in return we will provide you with a good commencing salary, free life assurance, fully expensed company car and an excellent future and career.
