BUILT SMALL YET

Ideal for low-level interior applications, the compact and durable **Snorkel™ S3010E** mini scissor lift delivers maximum performance. Weighing just 495kg, this 3.0m self-propelled lift can be used on raised access floors, and is easy to manoeuvre thanks to intuitive 'point and go' joystick controls and a zero inside turning radius – perfect for working in confined spaces and narrow aisles. Efficient direct electric drive delivers long duty cycles between charges and the robust and reliable design results in low operating costs, and high utilisation.

Snorkel S3010E

COMPACT SIZE WITH BIG RESULTS.
