Laptop users: Download **complete issues of Cranes & Access or Kran & Bühne** to read when you have the time. Using the latest version of Adobe Acrobat you can search for specific words or names in the issue or even have your PC read the articles out loud to you while winging your way across the Atlantic (or wiling away the hours on the Motorway!). But, please note these are large files of about 5Mb each.

One-stop Non-stop

Shopping for new kit? SED 2004 has six zones covering every speciality. Over 400 suppliers with exactly the products and services you need. All in one spot.

But it doesn't stop there. All-action demo areas let you see plant working in real site conditions. A unique opportunity to compare and try out kit before you buy.

If it's big names you want, Site Equipment has plenty. Demolition and recycling? The Site Clearance Zone is the place. The Cranes & Access Village features lifting and access kit. For tippers, trailers, commercial vehicles and 4x4s, head for Truck Zone. With The Concrete Show and maintenance centre Workshop in the Pavilion.

For your free ticket, simply ring the number below, or register on-line.

You'll find there's a buzz here like nowhere else. Meeting people who are just as enthusiastic about the business as you are.

That's a part of SED that never stops.

HIRE a Spierings Mobile Crane and get ready to work in

FIFTEEN MINUTES

- The ideal city crane – can be set up in narrow roads
- Reach places other cranes cannot and no standoff distance
- Greater safety – the operator can always see the load
- Capable of working on two or three sites a day if required
- Lower outrigger loadings for given capacity
- Flood lights and quiet operation for night working
- Fantastic reach over buildings, 1.7 tonnes at 60m

Experienced, professional and dedicated operators.
