Let's Give Ukrainian Children Another Christmas This Year

Getting Involved:

SOURCE GIFTS

Collect toys and gifts both old and new and wrap them in Christmas paper. Use a removable label to show what the gift is, whether it is for a boy or girl and the age range.

SEND THEM TO OUR COLLECTION POINT

Our address is: The Plant and Hire Aid Alliance c/o Ardent Hire Solutions, 289-297 Felixstowe Road, Ipswich, Suffolk, IP3 9BS

ARTIC LOADER DEPARTS WITH PRESENTS ON 10TH DECEMBER

A fully loaded artic loader will depart on 10th December to Lviv, Western Ukraine. From here the presents will be distributed across Ukraine with the support of Rotary International and local volunteers.

Childrens Christmas Appeal

Children are the innocent victims in this horrendous war. Families continue to be split up, with many being killed, including children. Homes and livelihoods have been destroyed and millions of families face an uncertain future.

We want to try and bring a little bit of joy into children's lives this Christmas. **Last year we managed to collect, wrap and send 30,000 presents to the children of Ukraine.** Through the generosity of local communities, partners, suppliers, customers, families and friends, we are hoping to collect enough toys and gifts to give Ukrainian children another Christmas this year.

Experienced Spider Lift and Forktruck Operator

Kuwait based

I am looking for a position as a Spider Lift or Forklift Operator. I have more than six years of experience in operating spider lifts and elevated work platforms. I have developed the skills, discipline, and safety awareness required to contribute effectively to construction and industrial projects.

During my time at Alghanim International General Trading & Contracting, I have operated a variety of lifting equipment, performed routine checks and maintenance, and ensured compliance with safety protocols on-site. My approach to work is focused, reliable, and team-oriented. I take pride in my ability to adapt quickly, follow instructions accurately, and maintain calm under pressure.

I am physically fit, committed to job site safety, and always eager to contribute to the success of my team. I am now seeking a new opportunity to grow professionally and to apply my skills in a more challenging and rewarding environment.

Prepared for winter?

Cold weather can take a toll on **battery performance**. Don't let winter catch you off guard, take these precautions to keep your batteries reliable all season long:

- Store equipment and batteries in a cool, dry place.
- Maintain a steady state of charge and minimise deep discharges.
- Keep battery terminals clean and dry.
- Check distilled water levels more frequently in flooded lead-acid batteries.
- Charge with the right smart charger designed for your battery.

Still noticing reduced performance?

Don't wait too long to stock up on spares. Explore our wide selection of high-quality batteries from trusted brands like **US Battery**, **TAB**, and **Trojan**.
