WANTED: Freelance Writers/Journalists

The Vertikal Press is expanding its independent news and features coverage at a time when many others are cutting back or switching to AI-generated content. Our policy of producing independent, verified, cross-checked news and features written by humans is what our readers expect and demand from us.

As a result, we want to expand our team of contributors. You will be fairly and honestly rewarded for well written, informative articles aimed at a large global audience. An in-depth knowledge of the cranes, aerial lifts or telehandlers will naturally be helpful.

Location is not an issue. In fact, it could be an asset if you are based in an interesting or emerging market. English or German are our two main languages, but we are happy to translate any good material if you feel more comfortable writing in your own language.

If this sounds interesting, please contact our publisher Leigh Sparrow at lws@vertikal.net. Any approach will be totally confidential.

Alternatively, you can reach us via one of the phone numbers listed at the front of this publication.
